Response Time Standards

Long Beach Fire Department standards for arrival of first appropriate unit, based on NFPA Standards, are as follows:

- Fire calls
 - ✓ Within 6 minutes and 20 seconds, 90% of the time

- Medical Calls
 - ✓ Within 6 minutes, 90% of the time

Response Times

Call Type	Average Response Time (min:sec)		Percentage within Standards	
	2005	2015	2005 *	2015 *
Emergency Medical	5:12	5:55	74.2%	46.6%
Structure Fires	5:14	5:24	73.2%	59.7%
All Fires	5:29	6:23	68.6%	50.5%
All Emergency Responses	5:29	6:16	72.8%	46.1%

*Shows percent of incidents responded to within 6 minutes for All Fire Calls and Structure Fires (changed to within 6 minutes, 20 seconds in 2010); within 6 minutes for first responding unit for emergency medical calls, based on NFPA Standards.
