

Coyote Committee Recommendations

SHORT-TERM

- Strategic trapping
- Fines for feeding wildlife and leaving pet food outdoors
- Improve the City's infrastructure
- Cover all City-owned and residential trash cans
- Continue the City's education campaign

Coyote Committee Recommendations

LONG-TERM

- Develop a regional plan with surrounding jurisdictions
- Create educational campaigns that will be applied regionally
- Examine the option of sterilizing habituated coyotes
- Develop neighborhood programs that may include hazing training, yard audits (voluntary), and other methods of coyote deterrence
